Our Country, as to the Future.

THE BOSTON RECORDER, FRIDAY, APRIL 7, 1848.

The French Revolution of 1848.

What will be the result of these events no manan foresight can determine. A regular has seen proclaimed. Will a be perunent? Who an answer that question? The same timps was one fifty years ago. But how long old it lest? blood seven noushs. That was a republic of atteract, who burnt he Bibles abolabed the Substati; verticated the situs of religion, and proclaimed the star of religion, and proclaimed the same errors also seen to see the same errors.

achieving victories for God and truth.

A wide door is now open for evangelical efforts among this interesting people. The exertions that have already been made for the spread of the gospe in France most not crease, but he mat upon the many open in France must not crease the many open in France must not exceed and increased until this whole nation submitte to Him upon whose venture and thigh, it is written, "King of kings, and Lord off ords."

"King of kings, and Lord off ords."

Christians on this subs of the Atlantic should prevent that France may be resembled.
